Lightweight heavy duty clamp for horizontal rail lifting

Application:

- For horizontal lifting, transporting and turning of rail profiles
- Jaw opening available from: 40 to 75 mm. Working load limit (WLL) 1500 kg
- Because of the wide range of rail profiles other profile dimensions and capacities available upon request

Features and Benefits:

- With special cam for rail profiles
- Always equipped with a safety mechanism, ensuring the clamp does not slip when lifting force is applied and when load is being lowered
- Clamp is locked in closed as well as open position
- Lightweight design for easy handling
- Tough quality heavy duty welded shell body
- Maintenance-friendly, easy to exchange parts which are available upon request
